

AUTOMOTIVE ENGINE OILS

<p>code 100</p> <p>LUBRIMAXX trophy 20W50 SL / CF</p> 	<p>trophy 20w50</p> <ul style="list-style-type: none"> Blended from high quality base oils and latest additive package. Provides protection against wear and assists in maintaining engine cleanliness. Excellent service fill oil suitable for petrol, L.P.G & turbo charged engines. <p>Specifications: A.P.I. SG/CD, US MILITARY MIL-L-46152D, CCMC G4, D4, PD-2,</p> 	<p>code 106</p> <p>LUBRIMAXX maxivis 15W50 SM / CF</p> 	<p>maxivis 15w50</p> <ul style="list-style-type: none"> New generation multifunctional multi-valve oil which incorporates the latest in engine oil technology by providing a high level of protection against wear, sludge formation and acid corrosion. Assists in maintaining engine cleanliness, energy conservation and fuel economy in all engines, even those fitted with turbo chargers & L.P.G. <p>Specifications: A.P.I. SM/CF, US MILITARY - MIL-L-46152E, 21046, CCMC G4, D4, PD2, JASO VTW, DAIMLER BENZ DB 229.1, FORD ESE-M2C153E, ACEA A3,B3</p> 
<p>code 101</p> <p>LUBRIMAXX ultra light 10W30 SM / CF</p> 	<p>ultra light 10w30</p> <ul style="list-style-type: none"> Synthetic fortified, formulated with the latest additive technology. Maximum protection to all vital engine components. Primary recommendation for Nissan Pulsar and Ford Falcon AU/BA. Conforms to high standards required to achieve long engine life and less maintenance without sacrificing fuel consumption. <p>Specifications: A.P.I. SM/CF, ILSAC GF-3, GMH: GM 9986126, FORD: WSS M2C910-A2</p> 	<p>code 110</p> <p>LUBRIMAXX sports plus 25W50 SJ / CF</p> 	<p>sports plus 25w60</p> <ul style="list-style-type: none"> Unique blend of sheer stable additives to produce a technically advanced high viscosity oil. Also suitable for L.P.G. fuelled vehicles operating under continuous severe load conditions such as taxi fleets and forklifts. Fortified to reduce valve stem and guide wear. <p>Specifications: A.P.I. SJ/CF, CCMC G4, D4, PD-2, US MILITARY - MIL-L-46152D</p> 
<p>code 102</p> <p>LUBRIMAXX multivalve 15W40 SL / CF</p> 	<p>multivalve 15w40</p> <ul style="list-style-type: none"> New generation lubricant for use in all late model petrol engines including those fitted with turbo chargers, running on L.P.G. & diesel engines. Assists in maintaining engine cleanliness, conserving energy and optimising fuel economy. <p>Specifications: A.P.I. SL/CF, ILSAC GF-2, CCMC G4, D4, PD-2, DAIMLER BENZ DB 229.1, VW501.01 and 505.00, ACEA A3, B3, FORD ESE-M2C153E</p> 	<p>code 113</p> <p>LUBRIMAXX 4 stroke SAE 30</p> 	<p>4 stroke</p> <ul style="list-style-type: none"> Mono grade sae 30 for use in petrol and diesel engines which are naturally aspirated operating as stationary engines and in off road mobile equipment. Small electricity generators, pumps, lawn mowers, golf carts, ride-on lawn mowing machinery, Briggs and Stratton, Yamaha and Honda. <p>Specifications: A.P.I. SF/CC, US MILITARY - MIL - L - 46152C, CCMC G2, DAIMLER BENZ DB 226.1</p> 
<p>code 104</p> <p>LUBRI MAXX INDUSTRIAL LABEL</p>	<p>gold sl 20w50</p> <ul style="list-style-type: none"> Exceptional anti-wear protection, under normal service conditions will provide good protection from piston deposits, prevent oil thickening and eliminate sludge build up. <p>Specifications: A.P.I. SL/CF, CCMC G4, D4, PD-2, US MILITARY - MIL-L-46152D</p> 	<p>code 114</p> <p>LUBRIMAXX run-in SAE 30 SF / CC</p> 	<p>run - in</p> <ul style="list-style-type: none"> Mono grade sae 30 for use in petrol, L.P.G & diesel engines which have been reconditioned with new pistons, cylinder liners, bearings, valves and guides allowing the bedding in of the engine whilst protecting the valve train and cam shaft from wear. <p>Specifications: A.P.I. SF/CC, US MILITARY - MIL - L - 46152C, CCMC G2, DAIMLER BENZ DB 226.1</p> 
<p>code 105</p> <p>LUBRIMAXX competition gold 20W50 SM / CF</p> 	<p>competition gold/supreme 20w50</p> <ul style="list-style-type: none"> Latest fuel efficient additive technology combined with a traditional viscosity grade which makes this oil a must for late model vehicles. True multifunctional oil that provides better protection from piston deposits, minimises oil thickening and sludge deposits, and provides exceptional anti-wear protection. This product is also known as competition gold in the 5 litre pack. <p>Specifications: A.P.I. SM/CF, CCMC G4, D4, PD-2, US MILITARY-MIL-L-46152E,21046, FORD ESE-M2C153E, DAIMLER BENZ DB 226.1</p> 	<p>code 115 & 116</p> <p>LUBRIMAXX hi-vis 50 50/CC</p> 	<p>hi-vis 50 & hi-vis 70</p> <ul style="list-style-type: none"> Specially blended, high viscosity, engine oil containing detergent additives,corrosion inhibitors, anti-oxidants and anti-wear agents. Suppresses engine noise, boost oil pressure and reduce oil consumption in old and worn petrol, L.P.G. & diesel engines. <p>Specifications: A.P.I. SG/CC, US MILITARY - MIL-L-46152B, CCMC G1, G2, D1</p>
